We are very pleased that you have joined our South Carolina Dressage and Combined Training Association [SCDCTA]. Our members encourage and support the growth of equestrian dressage and combined training in and out of the State of South Carolina and promote, support, and organize equestrian competitions and training sessions. All our events benefit our community and promote wonderful camaraderie among our group members.

The SCDCTA has numerous awards for members to compete for at the year-end awards Gala held in January. Each discipline dressage, combined training and eventing is split into schooling shows and USDF/USEA shows. Each discipline is further split by adult amateurs, Junior/Young Riders and Professionals. Please contact Julianna Lucarelli (juliannascdcta@gmail.com) if you have any questions about points or eligibility for year end awards.

Esprit Equestrian is Owned and Operated by Shelby Stanfill. Their website is www.espritequestrian.com. Shelby is a new SCDCTA Business Member and she is based in Aiken, SC.

Esprit Equestrian has been in business about 5 years and got started because of the frustration with the costs of having nice riding apparel. We created one product and did a test to see if the public wanted to pay affordable costs for the same styles that go for \$100 and higher. Our first pair of riding pants "sold" out before we had the product in hand.

Our strength is the ability to listen to people. We have had other businesses outside of the equestrian community, but we saw a need. We did the research and used our creativity to determine what niche needed to be filled. Because we are horse people and want to provide more affordable clothing that is stylish, functionable and does not break the bank, we developed riding apparel that is comfortable and performs as you expect.

Owning horses is expensive, our riding clothes don't have to be. Visit Esprit Equestrian online to see our stylish and affordable clothing.
